Please sign up for Flocknote if you have not already done so. This will be a primary means for us to communicate with the families regarding cancellations or reminders of upcoming activities. You can sign up either by texting smb to 84576 or going to www.flocknote.com/smbbyron and clicking on the registration button. Once registered you can sign up to receive Religious Education program messages. A menu will then open up for you to select how you want to receive messages (by text, email or both– if you select both you will receive the message in the format that it was sent out in). Thank you so much for taking the time to do this. It will assist us greatly with our ability to communicate with our parish families.
