Dear Parish Families:

A new school year is right around the corner! We are so excited to start the year and teach your children about our beautiful and rich faith.

Attached is all paperwork needed to register your children ages Kindergarten – High School for the upcoming 2022/2023 school year. If you have an incoming 2nd or 8th grader who will be receiving Sacraments, please keep in mind that there are extra registration forms included that need to be returned in addition to the parish registration form.

As a friendly reminder, it is very helpful for all families to sign up for Flocknote (both text and email). This is our primary means of communication and will keep you informed about all events, performances, and any cancellations or schedule changes that may come up throughout the year. Information about how to sign up for Flocknote is included in the registration paperwork as well.

Again, we cannot wait for the new year to begin! It is such a gift to be able to catechize to your children and on behalf of all the teachers we thank you for your help and cooperation in the upcoming year. Please keep us in prayer this school year for good health, strong leadership, and the guidance of the Holy Spirit throughout our RE program and within the Parish as a whole.

May God Bless You Always,

Stephanie Schermerhorn, CRE
